Menu bar

- The ideas should be displayed on the top menu bar, along side with polls, webinars...etc

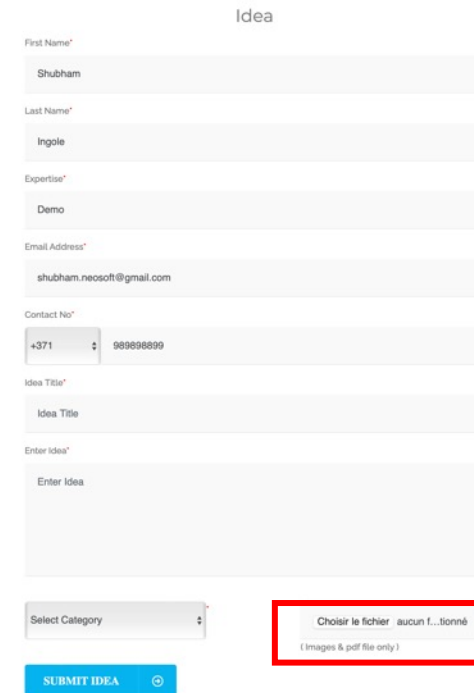

Submit an idea (1/3)

- There's a mix-up between adding linked files to the idea, and the image that will be shown on the idea itself.

The screenshot displays a web interface for submitting an idea. On the left, there is a search bar labeled 'SEARCH' and a section titled 'RELATED IDEAS' containing three test items: 'Test 1', 'Test 2', and 'Test 3', with a 'Clear Filter' button below. On the right, there is a blue 'ADD IDEA' button. Below it, a preview of an idea is shown, featuring a video thumbnail with the text 'ISSAAD REBRAB' and 'Président du groupe Cevital'. The video title is 'INTERVIEWS by Algeria INVEST® : message adressé par M. Issad REBRAB, président du Groupe Cevital (1er Groupe privé en Algérie) aux investisseurs et porteurs de projets. Exclusivité Algeria INVEST®.' The video has 690 subscribers and 2 months of age. Below the video, there are interaction buttons: 'J'aime', 'Commenter', 'Partager', and 'Envoyer'. The idea title is 'New idea Jan 2022' and it includes a 'remove taxes' link and a 'Read More' link. The idea is attributed to 'Shubham Ingole' and has 1 like and 1 comment. Social sharing icons for Facebook, Twitter, and LinkedIn are also present.

Webinars/round tables : back end

General notes

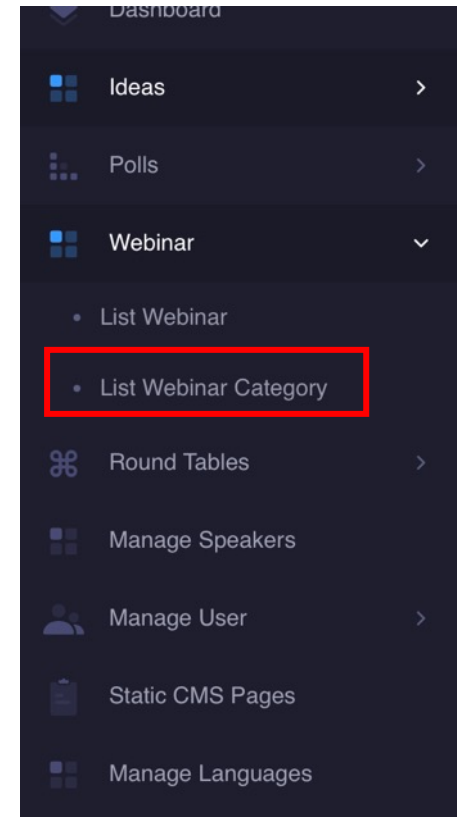

For all the platform

General notes (front end)

- The images are always stretched up (we must respect dimensions)
- Share options : missing email and copy link options.
- The footer is missing

General notes (back end)

- The categories for webinars, ideas, polls and round tables should all be the same, so we need only one list for all of them.
